OPEN INVITATION TO YOU

Dear Friend:

There is one thing we'd like better than sending you this catalog. That would be to have you come and see us. Why don't you take time to visit us when you are here? We always have time to welcome you and show you around. It need not be a business trip. Exchanging ideas is always a move to progress and we would like to meet and talk to you.

You'll be interested in seeing the nursery, and so will your family and friends. It will be a few sightseeing hours you'll remember. See the hundred and sixty acres of plants and the newest propagating equipment with almost unlimited production facilities. You'll like our office -- it looks like the home it was fifty years ago. The cool and delightful park around it is our testing section. So, you see, its beauty is practical too. The exotic and unusual plants are imported from all over the world and we want to know what the results will be under practical growing conditions.

Stop in and be our guests for a few hours. We will enjoy it and will see that you do too.

Sincerely,

Howard Past
Howard Past

*RP — STANDS FOR MN'S ROSE POTS

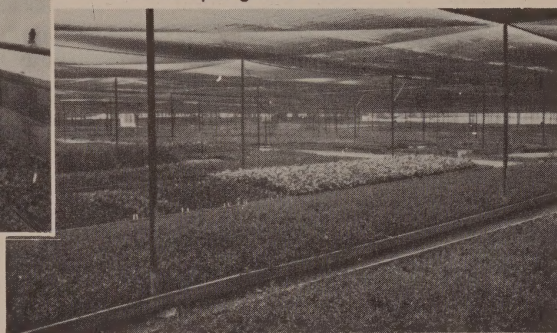

1. **FROST-FREE** growing grounds are ideal for the many popular flowering and non-flowering varieties of exotic sub-tropicals.

2. **CUTTINGS**, carefully selected from the best parent stock, are made and flatted here by trained MN workers.

3. **ONE OF** our new mist propagation houses. Automatically controlled, maintains ideal growing conditions to produce healthy husky root systems.

4. **MILLIONS** of new plants are scientifically grown in our new modern growing shelters where each one is individually pruned and fertilized to insure you a better start and less loss with MN pot grown liners.

5. **BED AFTER BED** of gallon size plants stretch into the distance. Soft snow water fills the reservoir in foreground.

6. **WORLD'S LARGEST** volume of five-gallon plants occupies acres at MN. Skilled growing keeps them vigorous and beautifully shaped.

CONIFERS

JUNIPERUS japonica 'San Jose'.				
San Jose Spreading Juniper (4) C22	.75	2.50
One of the best prostrate Junipers. Sage green, compact foliage, very husky type of growth.				
JUNIPERUS pachyphlaea. Alligator Juniper (7) C22	.75	2.75
A splendid upright Juniper that is a natural for those hot dry areas. Has very attractive silver-blue foliage with a bold type of branching.				
JUNIPERUS sabina 'Admirabilis' (4) C25	.75	2.00
Interesting, appealing habit of growth with colorful blue-green foliage. Its spreading habit makes for unlimited possibilities in the landscape.				
JUNIPERUS sabina 'Arcadia' (3) C (2-gal. 1.75)35	.75	2.75
A rich green foliage and lacy texture to its foliage with a semi-spreading habit of growth. A welcome addition to your sales yard. This superior strain has proven itself to be a superb spreader.				
JUNIPERUS sabina Prostrata. (2) C25	.75	-----
A low spreading plant with light green appealing foliage—excellent for areas where a low growing showpiece is desired.				
JUNIPERUS sabina. Savin Juniper (4) C22	.60	-----
Semi-spreading habit of growth with a superb green colored foliage. Easily adapts to every planting.				
JUNIPERUS sabina tamariscifolia. Tamarix Juniper (4) C22	.25	.75	2.50
The favorite of low spreading Junipers, very hardy and useful for ground cover. Showy blue-green foliage and pleasing habit.				
2-gal. 1.75				
JUNIPERUS scopulorum alba (4) Grafts		---	.75	2.75
Pyramidal growth habit. Foliage is a bright frosted blue in color. Blends well in every planting.				
JUNIPERUS scopulorum 'Blue Haven' (4) C22	.25	.75	2.95
Neat pyramidal growth. This Juniper's foliage is the most blue in appearance of any we grow. Exceptionally compact grower.				
JUNIPERUS scopulorum 'Chandleri Silver' (4) Graft and C22	.25	.75	2.95
Showy pyramidal Juniper with rich silver-blue foliage, with a semi-weeping appearance to its showy branches.				
JUNIPERUS scopulorum 'Colorado Green' (4) C22	.25	.75	2.95
Attractive upright grower, a rich forest green in color.				
JUNIPERUS scopulorum 'Dewdrop' (4) C25	.75	2.95
One of the finest upright Junipers we grow. The very compact form almost appears sheared. Small silver-blue needles. Its form resembles a giant drop of dew.				
JUNIPERUS scopulorum erecta glauca (4) C22	.25	.75	2.95
Excellent selection when an upright pyramidal Juniper is needed. Feathery silver-blue foliage. Neat habit of growth.				
JUNIPERUS scopulorum 'Gareei' (5) C		---	1.00	2.95
Having a weeping appearance to its silvery-blue foliage makes this attractive upright very desirable.				
JUNIPERUS scopulorum 'Gray Gleam'. (Patent No. 848) (4) Graft		---	1.50	3.75
Slow growing symmetrical, columnar Juniper with attractive gray-blue foliage. A very outstanding upright.

CAMELLIA PICTURE BLOOMS

Give You Year 'Round Sales and Fast Turnover

Your camellias don't have to be blooming to be fast sellers! Free MN artificial blooms (so realistic many customers think they're real at first glance) make them sell 12 months of the year. They make instant plant identification easy, too. They're in full color, water-resistant, fadeproof, last for six months or more! Each plant you purchase from the varieties marked with "*" will carry one of the picture blooms on 1, 5 and 7 gallon plants.

"RP" — STANDS FOR MN'S ROSE POTS

***Tagged with Picture Blooms.**

***ALBA PLENA**

Large, formal double, white flowers. Medium sized shrub. Blooms early.

BUDDHA (Patent No. 1215)

Striking reticulata Camellia. Very large, semi-double, rose-pink flowers with erect wavy petals. Most compact growing of all reticulatas. Blooms midseason.

***C. M. WILSON (GRACE BURKHARD)**

Light pink anemone form, spreading type of growth. Blooms midseason.

***CHANDLERI ELEGANS VARIEGATED**

Large anemone form, rose-pink mottled with white. Blooms midseason.

CINDERELLA (Patent No. 1281)

Large semi-double flowers, bright rose-pink in the center with a velvety white edging. Blooms midseason.

***COLONEL FIREY (C. M. HOVEY)**

Large formal flowers, dark red in color. Blooms midseason to late.

***COVINA**

Semi-double rose-form compact grower. Rose-red flowers. Blooms midseason to late.

***DAIKAGURA VARIEGATED (KIYOSU)**

Large peony type rose-red splotched with white. Blooms early.

***DEBUTANTE (SARA C. HASTIE)**

Large, light pink, peony type. Very vigorous grower. Early bloomer.

ELEANOR HAGOOD

Medium to large formal, pale pink flowers. Blooms late.

***EMPEROR WILHELM (GIGANTEA) (MAGNOLIA KING)**

Huge semi-double to peony form. Rich red flowers marbled with white. Vigorous upright loose growth. Blooms midseason.

ENGLISH DONCKELARI

Very large semi-double red marbled white in varying degrees. Blooms midseason.

GENERAL DWIGHT EISENHOWER

Large, full peony to anemone form deep red. Blooms midseason.

GENERAL GEORGE PATTON

Bright pink, large double rose form. Blooms midseason to late.

***GLEN 40 (COQUETTI)**

A deep red, formal to rose form double. Blooms midseason to late.

***GRANDIFLORA ROSEA**

The largest, semi-double deep pink. Vigorous bushy growth. Blooms midseason.

***HIGH HAT**

Large, peony form blossoms of a soft shell-pink. Blooms early to midseason.

***JORDAN'S PRIDE (HERME)**

Light pink with an irregular white margin and streaked with deep pink, double peony type. Blooms midseason.

JOSHUA E. YOUTZ (WHITE DAIKAGURA)

Large peony to formal, double white flowers. Slow compact growth. Blooms early.

***KUMASAKA (LADY MARIAN)**

Double peony flowers of a bright rose-pink. Blooms midseason to late.

***LAUREL LEAF (LALLAROOK)**

Full double, large pale pink flowers, marbled with white. Blooms midseason to late.

SPARKLING BURGUNDY

SASANQUA

Pat. No. 1539

Huge double ruby rose flowers, vigorous, upright but compact grower.

1959-1960 All America Camellia Selection

1-Gal. — \$2.50

***MAGNOLIAEFLORA (SOUTHERN)**

Medium large semi-double blush pink. Compact upright growth. Blooms midseason.

MARGARET JACK (FINDLANDIA VARIEG.)

Large fluted semi-double white streaked with crimson. Blooms early to midseason.

***MATHOTIANA (JULIA DRAYTON) (PURPLE DAWN)**

Very large, scarlet double rose form flowers to formal double. Blooms midseason.

***MRS. CHARLES COBB**

Large, dark red semi-double to loose peony form. Blooms midseason.

MRS. HOWARD ASPER (HANA-FUKI)

Soft pink, large single to semi-double. Medium rate of growth. Blooms midseason.

***MRS. TINGLEY**

Large formal, double salmon-silver pink. Very compact growth. Blooms midseason.

***NAGASAKI (LADY AUDREY BULLIER)**

Very large, semi-double, rose-pink marbled white. Blooms midseason.

PEARL MAXWELL

Large formal double flower of soft shell-pink. Blooms midseason to late.

***PINK PERFECTION (FRAU MINNA SEIDEL)**

Medium, formal double flowers of soft shell-pink. Blooms early to midseason.

***POPE PIUS IX (IMBRICATA RUBRA PLENA)**

Large, formal double, red flowers in imbricated petals. Blooms midseason.

***PURITY (NEIGE d'OREE)**

Large pure white formal flower. Blooms midseason to late.

"RP" — STANDS FOR MN'S ROSE POTS

***ROSEDALE'S BEAUTY (Trade Mark Reg.)**

This classic Camellia lends beauty to any landscape the entire year. Its great demand by Camellia lovers everywhere is due to many outstanding characteristics. Among these are its greater ability to endure extreme weather conditions, its large deep green leaves, handsomest of all Camellias, its vigorous growth and compact form, and its profusion of big double red blooms during February, March and April. Must be sold with trade marked tags attached.

SNOW WHITE — See picture page 18

Outstanding new large, formal white camellia. Lustrous deep green foliage and vigorous, bushy upright growth combined with the "eye-catching" white blooms will make this Camellia a "top-seller" for you. Blooms midseason to late.

5-gal. 4.00, 7-gal. 8.50

SWEETHEART (Patent No. 1562)

A beautiful formal pink, bushy upright grower. Its glistening green foliage is a spinach green. Blooms midseason to late.

A New Spreading Abelia
Abelia grandiflora prostrata
PLANT PATENT NO. 1431

THE traditional loveliness of *Abelia grandiflora* in a new versatile spreading form for landscaping! Ground covers, bank plantings and low groupings are excellent uses for its striking beauty. Its spreading branches wear shiny, intensely green leaves and new growth has a delightful red tinge. Delicate white flowers decorate the shrub for the greater part of the summer appearing like a city lighted at night. It is a healthy, vigorous grower that endures a wide range of temperatures. See description page 17.

Rapid climbing vine, produces bright pink flowers freely in summer, fast grower; deciduous.				
APHELANDRA Louisa (10) C25		.75	
A very colorful plant with showy variegated foliage. Very tropical appearing. Produces yellow bract-like flowers.				
ARALIA chinensis. Chinese Aralia (9) S20		.75	2.50
Exotic tropical appearing evergreen shrub with light green leaves with tints of red on margins and leaf veins. Spines on leaf and stems.				
ARALIA elegantissima (Dizgotheca elegantissima) (9) S			1.00	4.00*
Exotic evergreen shrub with dull, deep green heavily serrated leaves, prefers partial shade. Unlimited uses in every planting.				
* 3 per 5-gallon can				
ARALIA foliosus (10) S				2.50
Fascinating tropical shrub with delicate lacy green foliage covered with sharp spines on the upper and lower surfaces. Very showy.				
ARALIA papyrifera (tetrapanax). Rice Paper Plant (9) S22		.60	2.25
A large leaf tropical appearing evergreen shrub with huge dark green leaves. Very vigorous grower. Produces immense heads of white flowers in November.				
ARALIA sieboldi (Fatsia japonica) (8) S (1-gal. 3 per can .60)16		.50	1.85
Attractive, shade loving evergreen shrub with large glossy dark green leaves; prefers partial shade. Grows very rapidly.				
ARBUTUS unedo. Strawberry Tree (7) S18			
Deep green amber-tinted foliage, bearing clusters of white flowers in spring followed by red strawberry-like fruit. Evergreen.				
ARBUTUS unedo compacta. Compact Strawberry tree (7) C25		.60	2.25
Very attractive deep green foliage tinted with amber. Masses of white flowers in spring followed by red strawberry-like fruit. Specially selected strain. Very colorful, showy plant. See page 22.				
ARCTOSTAPHYLOS Hookeri 'Wayside' (6) C22		.75	
Low growing strain of Manzanita with light glossy green leaves; pink flowers. Blooms in spring. Has reddish brown bark. Evergreen.				
ARTHROPODIUM cirrhatum. Rock Lily (9) S22		.75	
Handsome dark green foliage; produces showy white star-shaped flowers. Prefers slight shade.				

"RP" — STANDS FOR MN'S ROSE POTS

ARBUTUS UNEDO COMPACTA. "COMPACT STRAWBERRY TREE"
For Description see page 21

ARUNDINARIA — See BAMBOO	2 1/4"	2 1/2"	1-Gal.	5-Gal.
ASPARAGUS — See FERNS	Pot	RP		
ASPIDISTRA elatior (9) Div.			.75	
Interesting, tough leathery foliage. Will grow in those dark corners where nothing else will. Excellent subject for pot or tub plantings.				
ASPIDISTRA elatior variegated (9) Div.			.75	
Decorative form having leaves alternately striped and banded. Green and white in varied widths.				
ASTER frikarti. Wonder of Stafa (4) C	.20		.50	
Perennial plant which produces vivid violet-blue flowers during summer months. A very hardy, colorful plant.				
ASTER frikarti jungfrau (4) C	.20		.50	
Fast growing perennial covered with a mass of blue-lavender colored flowers in summer. Foliage is a rich gray green in color.				
AUCUBA japonica. 'Dwarf Female' (6) C		.22	.75	2.50
An outstanding, shade loving, large leaf tropical shrub which produces a colorful array of bright red berries which are retained for many months. This superior selected shrub is a real "Sales Stimulator." See picture page 23.				
AUCUBA japonica picturata (7) C			1.00	2.75

BAMBURATA—'Giant Leaf' — See CTENANTHE				
BAMBURANTA (10) C22	.60	2.00	
Exotic tropical shrub with large green, captivating foliage; prefers shade. Blends well in any tropical setting with its pleasing habit.				
BAMBURANTA variegated (10) C75	2.25	
Same outstanding quality as green Bamburanta, but with stunning variegated foliage.				
BAUHINIA Blakeana. The Hong Kong Orchid tree (10) Graft				7.50
The most spectacular, exciting, beautiful tree of them all. Produces masses of huge orchid-like flowers in abundance from October to March. A giant living bouquet of a deep orchid — with giant butterfly-like leaves. A must in every garden. See picture page 27.				
BAUHINIA galpani. Red Bauhinia (9) S22	.75		
A splendid evergreen shrub producing clusters of brick-red flowers in summer. Surrounded by showy blue-green foliage.				
5-gal. espalier	5.00			
BAUHINIA purpurea. Orchid Tree (10) S20	.60	2.25	
Picturesque evergreen tree producing a profusion of orchid-like flowers in spring. A very desirable tree for a splash of color.				
BEAUCARNEA recurvata (Bottle Palm) (9) S25		.75	
Tree-like plant swollen at the base topped by a rosette of linear, pendulous, green leaves. Produces white flowers in late summer.				
BEAUMONTIA grandiflora. Easterlily Vine (10) C35	.75	2.50	
A fast growing evergreen vine with beautiful large dark green leaves and fragrant showy trumpet-shaped white flowers.				
BELOPERONE tomentosa. Shrimp Plant (9) C16		.50	
Mass of shrimp-like flowers against its deep green foliage makes this everblooming plant a must in the landscape.				
BERBERIS Crimson Pigmy (5) C (2-gal. 1.75)75	
Miniature form of red leaf barberry with all the charm and delightful deep red coloring to its foliage. Deciduous.				
BERBERIS 'Juliana'. Wintergreen Barberry (5) C (2-gal. 1.50)20		.60	1.85
Holly-like evergreen shrub with leathery dark green spiny-toothed foliage. A superb barberry.				
BERBERIS 'Mentorensis'. Mentor Barberry (4) C (2-gal. 1.50)18		.50	1.85
Showy, stiff upright branches with heavy, thick dark green foliage. Has an unusual ability to withstand heat and drought.				
BERBERIS sargentiana (5) C (2-gal. 1.50)18		.60	
Evergreen shrub of a medium height with densely clothed handsome dark green leaves. An ideal habit of growth.				
BERBERIS thunbergi. Japanese Barberry (3) S16		.50	
Compact growing deciduous shrub with dense dark green foliage. Excellent foundation shrub. Very hardy.				
BERBERIS thunbergi atropurpurea.				
Red Leaf Japanese Barberry (3) S (2-gal. 1.50)16		.50	
Bright showy bronze-red foliage all summer, turning a deep amber with cool weather. Prefers full sun.				
BERBERIS triacanthophora (5) C (3" pot. 35, 2-gal. 1.75)20		.75	
Graceful shrub with long spreading branches, its narrow leaves are a bright green. Has very captivating spreading branches.				

"RP" — STANDS FOR MN'S ROSE POTS

MONROVIA NURSERY COMPANY.....Azusa, California

	2 1/4" Pot	2 1/2" RP	1-Gal.	5-Gal.
BERBERIS verruculosa (5) C75	
Spreading evergreen shrub with showy branches and many slender spines. Dark green spiny-toothed leaves.				
BETULA alba. European White Birch (2) S (3 per 5-gal.3.50)18	.60	2.50
Graceful growing tree having white flaky bark. Deciduous.				
BIGNONIA chamberlayni (Anemopaegma).				
Yellow Trumpet Vine (7) C18		.60	
A beautiful evergreen vine with clusters of showy yellow-orange trumpet-shaped flowers in summer months. Very striking.				
BIGNONIA cherere (phaedranthus). Scarlet Trumpet Vine (10) C				2.75
An evergreen vine that makes a heavy cover and produces large trumpet-shaped flowers, bright red base with a yellow tube in summer.				
BIGNONIA tweediana (doxantha).				
Catclaw Yellow Trumpet (6) S20		.60	
Hardy deciduous vine with slender shoots that cling to any surface. Flowers are a glowing bright yellow.				
BIGNONIA venusta (pyrostegia). Flame Vine (10) C20		.60	2.25
Brilliant trumpet-shaped golden orange flowers hang in great masses during the winter months on this evergreen vine.				
BIGNONIA violacea. Lavender Trumpet Vine (9) C20		.60	2.25
Delightful evergreen vine for sun or shade. Light lavender trumpet-like flowers are borne in spring and summer.				
BOUGAINVILLEA 'Barbara Karst' (10) C20		.60	2.25
Large brilliant red flower-bracts are borne almost continually. Plants bloom at an early age.				
BOUGAINVILLEA 'Betty Hendry' (10) C20		.60	2.25
Tints of red, yellow and purple combined, make this Bougainvillea a show of beautiful color all through the summer months.				
BOUGAINVILLEA brasiliensis (B. spectabilis) (10) C20		.60	2.25
An indescribable sight with its clusters of purple flower-bracts, produced many months of the year in large masses.				
BOUGAINVILLEA 'California Gold' (10) C25		.75	2.50
As its name suggests, rich golden bracts are borne profusely for many months in the year.				
BOUGAINVILLEA 'Convent' (10) C25		.60	2.25
Enormous purple bracts are produced many months of the year. Has a very superb habit of growth. Can be grown as a bush type.				
BOUGAINVILLEA 'Orange King' (10) C20		.60	2.25
Bronzy-orange-gold flower bracts are produced in graceful sprays during the warm months. Has very attractive green leaves.				
BOUGAINVILLEA 'Scarlett O'Hara' (B. San Diego) (10) C20		.60	2.25
This fast growing Bougainvillea creates a blaze of dazzling color with its bright red flower bracts on pendulous sprays.				
5-gal. tree-type.....3.50				
BOUGAINVILLEA 'Temple Fire'. Red Bush Bougainvillea (10) C20		.60	
For the first time, traditional Bougainvillea beauty in compact, uniform bush form. Makes a striking hedge. Covered constantly with deep red flower-bracts in warm weather. Excellent as tub specimens.				
2-gal.....1.75

BUXUS harlandi (5) C16	---	.60	---
Here's a variety of boxwood that will grow when the English will not. Has compact, rounded, rich dark green foliage. Very attractive.				
BUXUS microphylla japonica. Japanese Boxwood (7) C45	1.85
Evergreen, compact growing shrub with small bright green leaves. Excellent for hedges or trained specimens.				
5-gal. globe 2.25, 5-gal. pyramid 2.25, BB-12" globe 2.00				
BB-12" pyramid 2.00, BB-15" pyramid 2.50				
BUXUS sempervirens. English Boxwood (5) C18	---	.60	---
Small growing compact evergreen shrub. Splendid for small hedges and borders. Quite hardy.				
CAESALPINIA — See POINCIANA				
CALADIUM esculentum. Elephant Ear (9) Bulb60	2.00
Mammoth, bright green leaves. Prefers rich soil and partial shade.				
CALLA Hercules (10) S18	---	.60	---
Large white flowers. An improved form of the common calla lily.				
CALLIANDRA guildingi. Trinidad Flame Bush (10) C22	---	.60	2.00
Evergreen shrub with semi-lacy foliage, attractive, scarlet fluffy ball-shaped flowers which appear in summer.				
CALLIANDRA inequilatera. Pink Powder Puff (10) C25	.75	2.50	
Desirable tropical evergreen shrub for unusual accent planting. Profusion of bright pink stamens, shaped like huge powder puffs, contrast with graceful feathery foliage. Very colorful.				
5-gal. espalier	5.00			

BAUHINIA BLAKEANA
For Description see page 24

The most spectacular, exciting, beautiful tree of them all. Produces masses of huge orchid-like flowers in abundance from October to March. A giant living bouquet of a deep orchid — with huge butterfly-like leaves. A must in every garden. Very rare.

	2¼" Pot	2½" RP	1-Gal.	5-Gal.
CALLISTEMON lanceolatus Improved. Red Bottle Brush (8) C20	---	.50	1.85
Hardy, sun-loving, drought-resistant, evergreen shrub. Produces masses of bright red flowers in summer. A must for every planting.				
5-gal. espalier			5.00,	5-gal. 5' tree-type.....3.50
CALLISTEMON linearis pumila (6) C22	---	.75	2.50
Very showy dwarf growing bottlebrush, producing large red flowers against its red-tinted green foliage.				
CALLISTEMON phoeniceus prostrata (8) C22	---	.75	2.50
Low growing bottlebrush with long narrow lanceolate leaves. Flowers are a deep rich red. Excellent for bank plantings.				
CALLISTEMON pinifolius (8) C22	---	.75	2.50
Medium sized shrub bearing red flowers with yellow stamens during the summer months. Very fine small narrow foliage.				
CALLISTEMON Salignus. Willow Bottle Brush (8) S25	---	.75	-----
A showy small tree with colorful cream colored flowers. The young foliage is a beautiful rich red, turning to a rich green as it matures.				
CALLISTEMON viminalis. Weeping Bottle Brush (8) S16	---	.60	2.50
Tall slender shrub or small tree with slender, semi-weeping branches. Cascades of bright scarlet bottlebrush blooms in spring.

DICKSONIA — See FERNS				
DIOSMA pulchrum. Pink Breath of Heaven (9) C18	----	.50	-----
Compact growing evergreen shrub with heather-like foliage. Tiny star-shaped pink flowers in late winter and early spring.				
DIOSMA reevesi. White Breath of Heaven (10) C18	----	.50	1.85
Similar to Pink Breath of Heaven with dark green heather-like foliage and star-shaped white flowers in the spring.				
DODONEA viscosa purpurea. Hopseed Bush (8) C25	----	.75	2.50
Attractive, fast growing, evergreen plant with bright purplish green leaves, with cool weather turning to reddish purple. Very colorful.				
5-gal. tree-type 3.50				
DOMBEYA wallichii. Pink Ball Dombeya (9) C25	.60	1.85
A large shrub with interesting foliage. Produces large deep pink, ball-like flowers in early spring. Very attractive.				
DOXANTHA — See BIGNONIA				
DRACAENA indivisa. Dracaena Palm (9) S18	----	.50	1.85
A tall narrow, palm-like plant with a central stem often forking at the crown, rich green in color. Excellent specimen plant.				
DURANTA stenostachya. Brazil Skyflower (10) C18	----	.50	-----
Medium to large shrub having arching branches with attractive light green glossy foliage and racemes of light blue flowers.				
ECHIUM wildpreti. Honey plant. Pride of Maderia (5) S20	----	.75	-----
Produces a large single flowering stem, topped with a head of flowers, a marvelous shade of soft rose. Has attractive gray colored leaves.				
ELAEAGNUS pungens. Silverberry (6) C20	----	.60	-----
A large spreading shrub covered with frosty white shiny scales. Produces large silver-bronze berries. Good foundation shrub. Smaller leaves than fruitlandi.				
ELAEAGNUS pungens fruitlandi. Silverberry (6) C20	----	.60	1.85
Attractive evergreen shrub having leaves and stems covered with shiny scales which add a glistening appearance to the shrub. Has very large leaves.				
5-gal. espalier 5.00

EQUISETUM hyemale. Horsetail Reed Grass (4) Div.	----	----	.60	-----
A superb rush-like, tropical grass. Deep green with jointed stems. Fast growing. Requires an abundance of moisture.				
ERICA 'Felix Faure' (9) C20	----
Very colorful orchid-pink tubular flowers with bright green foliage. A choice low and compact grower.				
ERICA hieliana (9) C20	----
One of the showiest, flowering, evergreen shrubs for late winter and spring. Its dark green foliage makes a perfect setting for its spike of bright reddish orange tubular flowers.				
ERICA John McLaren. Pink Bell Heather (9) C18	----
Small compact growing shrub blooming twice a year with bell-like flowers that are a lovely shade of pink.				
ERICA melanthera rosea. Pink Scotch Heather (9) C18	----
Evergreen shrub with fine billowy masses of tiny leaves and equally numerous rosy pink flowers, from October to February.				
ERICA melanthera rubra. Red Scotch Heather (9) C18	----
Deep rose-red flowers that bloom from October to February. A superior selected strain.				
ERICA vagans 'Maxwell' (9) C20	----
A mild green feathery foliage is enhanced by bell-like rose-red colored flowers in spring. Upright medium sized shrub.				
ERIOBOTRYA bronze. Photinia Deflexa (9) Graft			1.25	3.50
Outstanding, small evergreen tree. New foliage has showy red-bronze color; mature leaves are dark green.				
5-gal. espalier.....	7.50	5-gal. tree-type.....	5.00	
ERIOBOTRYA japonica. Loquat (9) S (5-gal. espalier 6.00)16	----
Small to medium size tree with dark green leaves and pear-shaped yellow edible fruit. Good espaliered or small tree.				
ERIOBOTRYA japonica. Gold Nugget (9) Graft				3.50
Skillful grafting produces this choice plant. Noted for large, golden, delicious fruit and luxuriant, gray-green foliage. Selected from our own special strain.				
ERYTHEA edulis. Guadalupe Palm (9) S20	----
The attractive fans are clear bright green the entire year. Stems shed readily to leave a clean trunk.				
ERYTHRINA caffra improved (10) S60	----
Improved form with larger bright red flowers on long arching branches — surrounded by deep glossy green foliage.				
ERYTHRINA crista-galli. Cockspur Coral Tree (10) S20	.60
Long spikes of pear-shaped brilliant red flowers appear all summer and fall on this semi-deciduous large shrub or small tree.				
ESCALLONIA organensis (8) C18	----
Medium size bushy growing shrub with narrow bronzy green leaves and clusters of appleblossom-like, white and pink flowers.				
ESCALLONIA rubra. Red Escallonia (8) C18	----
Medium to large evergreen shrub with deep green glossy foliage and clusters of bright red tubular flowers with spreading petals.

EUCALYPTUS angulosa. Ridge-Fruited Mallee (8) S	----	----	.75	2.50
A Mallee type with rather coarse, thick dark green leaves, very dense growing. Excellent for dry areas. Bears salmon colored flowers.				
EUCALYPTUS bloxsomei. Yellow Jacket (8) S	----	----	.75	2.50
A very rare type, producing bright yellowish-green flowers in spring. Has very attractive rich green foliage.				
EUCALYPTUS caesia. Gungurru (8) S	----	----	.25	.75 2.50
A small glaucous tree, with smooth bark. Masses of dainty rosy pink flowers January to March. Excellent for ornamental planting with its colorful flowers.				
EUCALYPTUS cinerea. Silver Dollar Tree (7) S	----	----	.20	.60 2.25
A small glaucous tree, with attractive rounded leaves, with stem in the center. Fast growing. Produces white flowers. Excellent for cut foliage.				
EUCALYPTUS citriodora. Lemon Scented Gum (8) S	----	----	.18	.60 2.25
Strong growing tree with picturesque smooth bark and long pointed lemon scented leaves. White flower in October. Evergreen.				
EUCALYPTUS cloeziana. Yellow Messmate (8) S	----	----	.25	.75 2.50
Medium sized tree with attractive green leaves. Produces yellow flower during March and April. Has attractive brown bark.				
EUCALYPTUS deglupta. Mindanao Gum (8) S	----	----	----	2.50
A medium sized tree with smooth bark, with light green leaves. Withstands considerable moisture. Fast growing.				
EUCALYPTUS eremophilla. Sand Mallee (8) S	----	----	.75	2.50
A medium sized tree, producing large yellow or pink flowers. A very drought resistant species, with showy strap-shaped leaves.				
EUCALYPTUS erythrocorys (9) S	----	----	.25	.75 2.50
A showy small tree, producing large greenish yellow flowers, from brilliant red flower buds. Very attractive tree.				
EUCALYPTUS ficifolia. Scarlet Flowering Gum (9) S	----	----	.20	.60 2.25
Medium sized tree, with reddish green foliage with a coarse texture; masses of vivid red to pink flowers cover the tree.				
EUCALYPTUS forrestiana. Forrest Marlock (8) S	----	----	.25	.75 -----
A small multiple trunked tree, attains a very picturesque form. Produces bright yellow flowers. Shining green leaves.				
EUCALYPTUS globulus compacta. Bushy Blue Gum (9) S	----	----	.15	.50 1.85
Dwarf compact growing evergreen tree with rich blue-green foliage. Excellent for screen, windbreaks. White flowers.				
EUCALYPTUS grossa (8) S	----	----	.25	.75 2.50
Dwarf growing, multiple trunk Eucalyptus, with large, thick strongly veined leaves. Yellow flowers September to December. Rare.				
EUCALYPTUS gunni. Cider Gum (7) S	----	----	.20	.60 -----
Medium sized tree, narrow green lance-shaped foliage; smooth green and white bark. Excellent ornamental Eucalyptus. White flowers.				
EUCALYPTUS lehmanni. Bushy Yate (8) S	----	----	.18	.50 1.85
Small growing multiple stem Eucalyptus with light attractive green foliage. Huge clusters of bottle green flowers July to September.

EUCALYPTUS leucoxydon Var. macrocarpa (8) S25	.75	-----
Large Mallee type shrubs with large crimson, pink or white flowers in fall. A very picturesque tree with deep green foliage.				
EUCALYPTUS macrocarpa. Coolgardie Rose (8) S25	.75	2.50
The largest flowered of all with brilliant red flowers up to 5 inches across, decorative seed pods, Mallee type with very large glaucous leaves. Does well when drainage is good or in dry areas.				
EUCALYPTUS megacornuta (8) S20	.60	2.25
Medium sized tree with smooth gray-brown bark, and green foliage. Excellent for ornamental use. Bronzy green flowers.				
EUCALYPTUS nutans. Red flowered Moort (8) S		---	---	2.50
A small rare multiple trunk tree, with bright crimson flowers October to November. Rich dark green leaves.				
EUCALYPTUS perriniana (7) S25	1.00	2.50
Round shiny silver leaves with a stem through the center makes this medium sized Eucalyptus a real showoff. Foliage good for arrangements.				
EUCALYPTUS planchoniana. Tallow Wood (8) S25	.75	2.50
A medium sized tree with attractive, very pleasing habit of growth, deep green foliage, produces pale yellow flowers December to January.				
EUCALYPTUS polyanthemos. Redbox Gum (8) S18	.50	2.25
A medium sized low branching tree with grayish blue foliage, with light red margins and veins. White flowers.				
EUCALYPTUS rhodantha. Rose Gum (8) S25	.75	-----
A very glaucous small growing shrub with a spreading habit of growth. Produces large, red, very colorful flowers.				
EUCALYPTUS rostrata. Red Gum (8) S15	.50	2.25
A rapid growing tree with narrow green leaves, will grow in moist places. A very attractive tree.				
EUCALYPTUS rudis. Desert Gum (8) S15	.50	2.25
Tall growing tree with rounded green foliage, rough brown bark; withstands desert conditions well.				
EUCALYPTUS saligna. Sidney Blue Gum (8) S18	.60	2.25
A tall, shaft-like tree, with pale green leaves. Grows well in heavy soils.				
EUCALYPTUS sideroxydon rosea. Pink Iron Bark (9) S15	.60	2.25
Medium size tree with brownish red rough bark and long pointed dark green leaves. Pink flower borne in large clusters.				
EUCALYPTUS stellulata. Black Sally (7) S25	.75	-----
A small tree with a splendid spreading habit with showy green and white bark, its foliage is a rich green.				
EUCALYPTUS torquata. Coral Gum (8) S20	.60	-----
A lovely small growing multiple stemmed tree producing masses of red flowers. A vivid, colorful Eucalyptus which flowers at an early age.

HARDINESS MAP

From this map determine what zone you are in. The number listed beside each variety in this catalog indicates the zone in which that variety will be hardy. If the variety carries your zone number or a smaller number it should be hardy in your area. If you want to take a chance on those rated one zone greater, there is a good possibility of success.

Handsome large growing evergreen shrub with feathery foliage. Native to Arizona. Small white flowers in late fall. Drought resistant.				
MACADAMIA ternifolia. Queensland Nut (9) S	---	.35	1.25	2.75
A handsome evergreen tree with a dense round head of long narrow green leaves. Nuts are borne in the fall and unbelievably rich in flavor. A perfect shade tree and bearing tree.				
MAGNOLIA grandiflora. Southern Magnolia (7) S	---	.18	.60	2.25
Medium size evergreen tree with large, deep green, glossy leaves and immense lily-like, fragrant white flowers. A splendid tree.				
5-gal. espalier.....6.50				
MAGNOLIA grandiflora St. Mary (7) Graft	---	---	1.50	3.50
This outstanding bush-type Magnolia with bright glistening green leaves above and showy bronze beneath, produces large intense white flowers at a very early age. Grafted to insure you of its fine characteristics. See picture page 58.				
MAGNOLIA obovata (Magnolia hypoleuca) (5) S	---	.25	.75	2.50
Large white flowers and dark green leaves glaucous underneath. Very attractive tall growing deciduous tree.				
MAGNOLIA soulangeana. Saucer Magnolia (5) C	---	.30	1.00	3.50
Small deciduous tree producing large multi-colored exotic flowers in early spring. Foliage is a deep green.				
MAGNOLIA soulangeana nigra (5) C	---	---	---	3.50
Showy cup-shaped flowers, a dark purple outside, and a light purple inside. Outstanding for specimen planting. Deciduous.				
MAGNOLIA stellata. (Starry-Magnolia) (5) C	---	---	---	3.50
Small multiple deciduous tree with pure white fragrant blossoms in early spring, followed by showy green foliage.				
MAGNOLIA tripetala. Umbrella Magnolia (4) S	---	---	1.00	---
A very hardy deciduous tree with a showy spreading habit of growth, produces large glistening white flowers.				
MAGNOLIA virginiana. Sweet Bay (5) S	---	---	---	2.50
Lustrous green foliage above, silvery beneath massed with pure white fragrant flowers in May. Partially evergreen in warm areas.				
MAHONIA aquifolium. Oregon Grape (4) S (2-gal.)	---	---	---	2.25
Evergreen shrub with deep, glossy green, holly-like foliage and clusters of yellow flowers followed by blue grape-like berries.				
MAHONIA aquifolium compacta (4) C (2-gal.)	---	---	.85	2.50
A compact type of the popular "Oregon Grape", an outstanding evergreen easily grown in sun or partial shade. Deep green, glossy foliage.				

MONROVIA NURSERY COMPANY.....Azusa, California

	2 1/4" Pot	2 1/2" RP	1-Gal.	5-Gal.
MAHONIA bealei. Holly Grape (5) S (2-gal.1.60)18	----	.60	2.00
Large slow growing shrub with outstanding foliage of bronzy green, bright yellow flowers in spring. Very showy plant.				
MAHONIA lomarifolia (8) S	----	----	----	2.50
A most interesting design is created by the compound deep green leathery leaves of this refined evergreen shrub. Produces spectacular yellow flowers.				
MALPIGHIA coccigera (9) C22	----	.75	-----
Attractive shrub with small, dark green, spiny-toothed leaves. Pink flowers followed by red berries. Grows best in part shade.				
MALPIGHIA glabra.				
Barbados Cherry (Vitamin C Plant). Acerola (8) C22	----	.75	2.25
Glossy leaved large growing shrub with light pink flowers. Produces small scarlet-red berries. Excellent for hedge plantings.				
MARANTA tri-color (10) Div.	----	----	1.25	-----
Very colorful tropical foliage, a dark green splashed with red and cream. Low, fast grower prefers shade to show off its radiating qualities.				
MELIANTHUS major. Honeybush (9) C	----	----	----	2.50
Rich gray-blue evergreen foliage on multiple stems. Chocolate colored flowers in early spring. Excellent foliage plant.				
METROSIDEROS tomentosa.				
New Zealand Christmas Shrub (10) S18	----	.60	-----
Large shrub having large lustrous dark green leaves. Dark red flowers form, in dense showy heads.				
MORUS alba. Fruitless Mulberry (5) C	----	.20	.60	2.25
An excellent deciduous, round headed shade tree. Large dark green leaves. Grows rapidly and likes plenty of moisture.				
MURRAEA exotica. Orange Jessamine (9) C20	----	.60	2.00
An improved, compact growing variety. Exquisite foliage, and the fragrant, pure white flowers are borne in early summer. Evergreen.				
MURRAEA paniculata. Orange Jessamine (9) C20	----	.60	2.00
Delightful evergreen shrub. Luxuriant, bright green leaves and waxy white flowers with intense, orange blossom fragrance.				
MUSA ensete. Abyssinian Banana (10) S	----	.25	.60	2.00
An ornamental banana, ideal for tropical plantings, with its large green leaves. Fast growing. Excellent tropical plant.				
MYOPORUM carsoni (9) C18	----	.50	1.85
Fast growing evergreen tree with thick leathery deep green foliage. Bears small white flowers in early summer.				
MYOPORUM tomentosum (9) C18	----	.50	1.85
A large shrub or small tree with dark green leaves. Blends well in any landscape. Fast growing.				
MYRSINE africana. African Boxwood (8) C18	----	.60	2.00
A fine, compact, evergreen shrub with small rounded reddish green leaves. Does well in sun or shade. Withstands shearing.				
MYRTUS boetica (9) C	----	----	.75	2.25
Small evergreen shrub having larger leaves than common myrtus. Cutting grown to insure its true, outstanding characteristics. Very attractive.

RAPHIOLEPIS indica Enchantress.				
Red Indian Hawthorne. (Trade Mark Reg.) (8) C	---	---	---	3.00
For its pure beauty, your customers will give Raphiolepis Enchantress excited praise. Flowers are large, of rich rose-red and appear in thick clusters from late winter 'till early summer. The shrub's growing habits are upright and compact and show off luxuriant, glossy green foliage to a superb advantage. Hardy — grows in full sun or partial shade. Flowers deepen in color near the ocean. Must be sold with T.M.R. tags attached.				
RAPHIOLEPIS indica Santa Barbara. (Seedlings) (8) S18	---	.50	---
Has showy attractive flowers ranging from light pink to deep rose; rich attractive green foliage.				
RAPHIOLEPIS indica Springtime.				
Pink Indian Hawthorne. (Trade Mark Reg.) (8) C	---	---	1.00	3.00
Veteran nurserymen tell us that no other hawthorne can match the beauty of our new Springtime. January to April, its superb, leathery, evergreen foliage is literally flooded with magnificent apple-blossom pink bloom clusters. Taller, more regal than most hawthornes, it grows moderately fast. Blooms lighten in color inland. Very attractive shrub, and a steady seller for dependable turnover and profits. Must be sold with T.M.R. tags attached. See page 70.				
RAPHIOLEPIS ovata. Round-Leaf Raphiolepis (6) S18	---	.60	2.50
Medium to large evergreen shrub with rounded dark green leathery leaves. Produces clusters of fragrant white flowers. Hardy in sun or shade.				
REINWARDTIA indica (Linum flavum). Yellow Flax (10) C16	---	.50	---
Dwarf compact shrub with clean light green foliage. Evergreen, sun lover with bright yellow flowers in spring.				
RHAMNUS alaternus. Italian Buckthorn (8) C18	---	.60	2.50
A large evergreen shrub or small tree with appealing dark green leaves. Deep blue berries appear in the fall. Withstands shearing well.				
RHODODENDRON fragrantissima (7) C (2-gal. 1.75)20	---	.75	---
Sensational for its very large fragrant creamy-white velvet textured flowers. Glossy green foliage covered with rusty colored hairs.				
RHUS lanceolata (6) S	---	---	---	2.25
Attractive narrow leaved shrub with dark green foliage; does extremely well in dry soil. Very colorful with cool weather.				
RHYNCHOSPERMUM asiaticum.				
(Trachaelospermum asiaticum) (7) C20	---	.60	---
Vigorous growing vine a rich green in color. Has unlimited uses for ground covers, bank planting or wherever a low trailing shrub is desired. Small showy green leaves.				
RHYNCHOSPERMUM jasminoides (Trachaelospermum jasminoides). Star or Confederate Jasmine (7) C20	---	.60	1.85
Strong growing bush or evergreen vine with deep green leathery foliage. Produces masses of very fragrant star-shaped flowers.				
1-gal. staked65	5-gal. 3' stake	2.00	
5-gal. espalier	5.00			
ROSA banksi White (5) C30	---	.75	---
Miniature double white flowers set against rich green foliage. Vigorous grower. Good for bank and ground cover plantings.

NOTICE

All tropical plants that could be damaged by frost will not be tied off and held from November 15th thru February 15th.

TEMPERATURE RATINGS (HARDINESS)

If you are in doubt of the hardiness of any plant, see the zone number placed at the right of the variety listed. Then refer to the map, pages 40, 41. These temperature ratings show our honest opinion; however, we disclaim all responsibility for correctness.

"RP" — STANDS FOR MN'S ROSE POTS

WHOLESALE ONLY

This list is intended for the trade only. If it should be sent by mistake to people not entitled to trade prices, we would greatly appreciate if you would notify us at once, so that our mailing list can be corrected.

F. O. B. AZUSA—All prices quoted in this catalog are F. O. B. Azusa, California

TERMS—While our regular terms are cash, we will be pleased to make credit arrangements with established concerns. Open accounts are payable on or before the 10th of the month following date of delivery. Overdue accounts are subject to 1% monthly interest charge and sight draft. No discount will be allowed as it is our policy to maintain attractive prices consistent with high quality stock. The issuance of this catalog automatically cancels all previous quotations. It is understood that all orders accepted are subject to availability of stock at the time of delivery.

CLAIMS—Claims must be made immediately upon receipt of goods. If an error has been made by us, please notify us promptly, and we shall take pleasure in adjusting the matter. We do not guarantee plants to live. At no time will we be responsible for more than the purchase price of the stock ordered.

We carefully pack all stock, and make every effort to secure prompt and careful handling by the transportation company. However, our responsibility ceases upon delivery of stock in good condition to the transportation company.

Please file a claim at once with the transportation company, if your stock has been damaged or delayed in transit. In this connection we shall be glad to assist you in any way we can.

WE ARE A PINTO-TAG NURSERY—This means that our nursery stock can be shipped to all counties in California and released for planting without further inspection. (Tulare and Ventura counties are exceptions.)

ACKNOWLEDGMENT—Your orders will be acknowledged promptly and shipments made as quickly as possible, so if your order is not acknowledged please advise us immediately. Sometimes, because of inclement weather, or the press of business, there may be a slight delay in shipping, but we assure you that this will not be more than is absolutely necessary.

Non-Warranty—The Monrovia Nursery Company gives no warranty, express or implied, as to the variety or productivity of any nursery stock it sells. Liability in all instances is limited to the purchase price. No liability is assumed by seller for delay or failure to deliver caused by wars, strikes, fires, floods, droughts, embargoes or any other contingencies beyond seller's control. If the purchaser does not accept the goods on these terms, they are to be returned.

PLANT PATENT & TRADE MARK NOTICE

The following provisions apply to all patented or trade-marked plants we sell. Any asexual reproduction or distribution, by sale, gift, or otherwise of scions, buds, or cuttings for such reproduction, without license from the patent owners, constitutes an infringement of the patent for same. Any unauthorized reproduction, sales or other distribution of reproducing propagating material of these plants prohibited by the patents or trade-marks, will subject the reproducer, seller, or distributors thereof to prosecution for infringement under the Patent and Trade-Mark Laws.

"RP" — STANDS FOR MN'S ROSE POTS

FUMIGATION

For the convenience of buyers in those states whose laws require fumigation of incoming plant shipments, MN operates two modern fumigatoriums. Although this operation is under the expert supervision of a full-time entomologist, MN assumes no liability for plant damage or loss due to fumigation. Actual operation costs are charged as follows:

2¼" pots.....	2¢	1-gal.	7¢	5-gal.	25¢
3" pots.....	4¢	2-gal.	15¢	7-gal.	40¢

SHIPPING

All shipments are made by semi-truck. A full load will consist of approximately 4,000 1 gallon containers or 650 - 5 gallon or a combination of both. A combination or split load consists of several orders each consigned to different purchaser.

To have your order included in a combination load, a minimum order of \$250.00 is necessary, and delivery will be made as soon as enough orders are accumulated to fill a semi-truck. This minimum order of \$250.00 is required as the trucking concern under contract will make only a limited number of stops per trip. TRUCKING CHARGES ARE A CASH TRANSACTION AND ARE DUE TO MONROVIA NURSERY IMMEDIATELY AFTER DELIVERY OF STOCK. DO NOT PAY THE DRIVER.

When ordering a truckload beyond our free delivery area, packing, loading and bracing are free.

Approximate Weights of Plants in Following Container Sizes:

1-gallon cans	8 lbs. each	2¼" pots	3/10 lb.
2-gallon cans	20 lbs. each	2½" R P	½ lb.
5-gallon cans	50 lbs. each	5" pots	2 lbs.
7-gallon cans	60 lbs. each	7" pots	3¾ lbs.

IF YOUR ORDER

Arrives by our truck carrier service, delivery charges are due and payable immediately upon receipt of invoice. Please do not pay the truck driver.

PACKING

There is no charge made on packing lining-out stock (2¼", 2½" R P and 3" pot-sized plants) and Azaleas. Each order is securely packed in sturdy, lightweight cartons. Please remember that shipping the larger plants (1 and 5-gallon sizes) by express or public motor freight is very expensive. Not only are the transportation rates high, but it is necessary that nursery stock be packed, which means a packing charge as follows:

1-gallon cans	35¢	Labor and materials for stacking flats.....	35¢
2-gallon cans	50¢	Cost per flat	25¢
5-gallon cans	\$1.00		

THE LETTER OR LETTERS AFTER THE ZONE
NUMBER DENOTES METHOD OF PROPAGATION.

DELIVERY SCHEDULE

This schedule is arranged to give you the best possible delivery service and is followed closely. However, any time you place an order for a full truckload, shipment can leave the nursery within a few days after the order is placed, regardless of the schedule. If the first of the month falls on a Wednesday or earlier, that week is considered the first week of the month as pertaining to the schedule below.

Please — we must have your order at least 4 days before the scheduled delivery. This not only gives us more time to select better stock, but it does insure delivery on schedule.

Area	Minimum Delivery Order	Time of Delivery
L. A. Metropolitan Area Including San Fernando, Long Beach, Santa Monica and Covina areas.	\$35.00	Weekly.
Orange County	35.00	Every Friday.
San Bernardino and Riverside Area Including Pomona, Chino and Colton areas.	35.00	Every Tuesday.
San Diego Area Including Oceanside, Escondido and Na- tional City areas.	60.00	Every Wednesday.
Santa Barbara Area Including Ventura County.	60.00	1st and 3rd Monday of each month.
Palm Springs Area Including Banning and Indio areas.	60.00	2nd and 4th Tuesday of each month. Any Tuesday when a full load is available.
Bakersfield Area North to Fresno.	60.00	2nd and 4th week of each month.
Fresno Area and immediate area.	60.00	1st and 3rd week of each month.
Stockton Area Madera and north.	100.00	2nd and 4th week of each month.
Sacramento Area	100.00	2nd and 4th week of each month.
Marysville Area Including Chico and Oroville areas.	150.00	2nd week of each month.
